Concert Reflection Report

Instructions

- Students must attend at least one (1) concert per semester in which they are not a performing member of one of the ensembles.
- Concerts are limited to any ***professional*** ensemble, group or soloist. Professional constitutes performing in an organized setting. This can include school groups.
- Students must write a one (1) page, double spaced, 12 pt. font essay discussing the following topics.
 - What did you go to see / listen to, where was the performance and when did you go? (Ensemble name, group name, soloist, etc.)
 - Provide titles for some of the songs / pieces / literature that were performed.
 - If there is historical information available to you about the pieces or composers, please provide that here.
 - Describe the performance of the ensemble / group / soloist (Was it good/bad and why)
 - What was the most memorable thing that you took away from the performance?
